THE ATRIUM

Our recommended area, great for a party whether it's a birthday, anniversary, engagement or anything with a larger number of attendees is the Atrium.

It's a semi private area with an outdoor section, open fire and indoor heaters. It also has a booming Bluetooth speaker and TV compatible for slideshows that can show any sentimental, heartfelt or embarrassing photos you'd want seen during the event. The room is yours to decorate and make your own.

Our platter menu is perfect for feeding everyone at bigger functions, simply choose the platters in your price range and customize the food options to your liking. If you're after a drink subsidy let one of our managers know. We have plenty of info and options to keep you and your guests happy.

DINING - 25

➤ THE DINING ROOM ➤

If you're looking for a more formal sit-down function, our restaurant area can hold up to 35 people at one time. Our friendly kitchen team can happily quote a set menu price, or you can pre order off of our normal menu.

➤ THE MANCAVE ➤

Another great private area of the venue situated right by the bar is our mancave. This area has 2 TVs which are perfect for sporting events, the high table bar leaners are perfect for casual get togethers and the distance from the bar makes it perfect for a few drinks with mates.
